

Preston Medical Library Literature Search Request

Full Name *(required)*

Phone

Email *(required)*

Affiliation *(required)*

Department

Purpose - Please use the category that fits best *(required)*

Date Needed - If there's a specific date you need the results by, please enter here. **For rush searches needed in 48 hours or less, PLEASE CALL 865-305-9525.** If you do not have a specific time frame, typical turnaround time is 1-2 weeks.

Please describe your question:

What would you like to know? What do you already know about the topic?

What will you use this information for?

If applicable to your question, please use the PICO framework: Patient, Intervention, Comparison, Outcome

Patient Type or Problem: How would you describe a group of patients similar to yours? What are the most important characteristics of the patient, population, or problem?

Intervention: What main intervention are you considering?

Comparison (optional): What is the main alternative being considered, if any?

Outcome/Intended Result: What are you trying to accomplish, measure, improve or affect?

Limit by Age

- Adults
- Children
- Either or N/A
- Specific age group:

Date Restrictions

Special Instructions: method of delivery other than email (such as in an EndNote library), other search limits, or details.
