 - ☐ Obstetrics/Gynecology (4)
 - ☐ Surgery, Plastic Surgery, or Vascular Surgery (5)
 - ☐ Pediatrics (6)
 - ☐ Psychiatry (7)
-

Question 2. What information resources (medical apps, websites, databases, calculators, textbooks, AI tools) do you use the most frequently to answer clinical questions? Please be specific and list resources you use on a daily or weekly basis.

Question 3. Who tells you about new resources? Select all that apply.

- ☐ Attendings (1)
 - ☐ Other residents (2)
 - ☐ Medical students (3)
 - ☐ Other healthcare professionals (nurses, administrators, etc.) (4)
 - ☐ Librarians (5)
 - ☐ Other (7) _____
-

Question 4. Where do you find out about new resources? Select all that apply.

- ☐ Social media (X, Facebook, TikTok, Instagram, Reddit, etc.) (1)
 - ☐ Podcasts (2)
 - ☐ Conferences (3)
 - ☐ Professional associations (AMA, etc.) (4)
 - ☐ Journal articles (5)
 - ☐ Grand rounds (6)
 - ☐ Library guides (7)
 - ☐ Other (9) _____
-

Question 5. What resources do you recommend to medical students during their clerkships?

Question 6. How do you access subscription-based (non-free) clinical resources? Select all that apply.

- ☐ Through the UB Libraries (1)
- ☐ Through the hospital (2)
- ☐ I buy my own (3)
- ☐ Other (4) _____

Question 7. Is there anything else you would like to share with us about your clinical resource use?

Question 8. Would you like to be entered in a raffle to win a \$50 Wegmans gift card? If you click yes, you will be taken to a separate survey.

☐ Yes (1)

☐ No (2)
